The Curtis Parkinson litigation team is highly experienced in resolving a wide range of such disputes for both private and business clients.

When a dispute arises between individuals, companies or local authorities, 'going to court' may not always be the answer. Here at Curtis Parkinson, our team has a wide experience of resolving disputes for both private and business clients across the country.

What is Dispute Resolution?

Dispute resolution is the legal term given to the method of resolving disputes whether they are between individuals, companies or any other party. Our experience informs us that there is always more than one way to resolve a dispute and we use our experience in applying the best method to ensure the most efficient and cost effective way.

I have consulted Roger before when needing help with litigation. This time he was as helpful as ever. He was able to get to the nub of the matter and present the arguments so that the other party had to agree.
